Volunteers play a significant role in making our school community a comfortable place of learning and growth for the students. The following list includes both PTO activities and programs as well as general needs for supporting school-sponsored activities. Please check the activities for which you would like to volunteer. For further questions or information, contact John Klopp at 643-5828. Please return this form to the school office by August 14, 2009 so the committee chairs will have a list of volunteers prior to the first day of school. For your convenience, we have categorized the volunteers opportunities by the time commitment involved. Thank you so much for sharing your time, skills and talents. Enjoy the rest of the summer. We are looking forward to a great school year!
