THANKS FOR MAKING RED RIBBON WEEK A SUCCESS!!!

Thank you to all the students, teachers, committee members, and parents for making Red Ribbon Week a special one for our students. I would especially like to thank Mr. Rodney Battles and Ms. Murphy Sullivan of Fellowship Hall for providing a very informative presentation for our Middle School students and teachers last Thursday. In addition to sharing their knowledge and experiences, they gave each Middle School student a pencil as part of the Red Ribbon Week festivities.

Congratulations to the winners of our "Shut Out Drugs" Homeroom Door Contest! Students in 6P and 8G won a "No Uniform" Day on Wednesday, November 9th. All of the doors were creative with 100% student input. Below are pictures of the winners.
