Our school colors are black and gold.

SCHOOL POLICIES

SCHOOL HOURS

Regular school days begin at 8:10 a.m. and end at 3:15 p.m.

Early dismissal days end at 12:00 p.m.

ABSENCE and TARDINESS

Prompt and regular attendance in all classes is an integral part of a student's performance in school. School opens at 7:55 a.m. Class time begins at 8:10 a.m., and it is important that every child be in the room and ready to learn and participate in activities at that time. Late arriving children can disrupt class. Students not in their classroom and ready for class at 8:10 a.m. are considered tardy and must be accompanied by a parent to the office to sign-in and to receive a late slip.

If a child is going to be absent from school, the parent is required to phone the school office by 9:00 a.m. on the day of the absence by phoning the school nurse's voicemail extension **(336) 273-4584, ext. 104**. A student must also bring a note of excuse, signed by a parent, when returning to school after being absent.

If a child is signed out before 10:00 a.m. and will not be returning, he/she is considered absent for the entire day. If a child is signed out of school after 10:00 a.m. and will not be returning, he/she is considered absent ½ day. If a child is signed out of school before 2:00 p.m., he/she is considered absent ½ day. Students are considered tardy if they arrive at school any time between 8:10 a.m. and 10:00 a.m. If a student is taken out of school for an appointment and returns back to school the same day, a student is considered present for the school day. Attendance is important for all students. Personal development and academic success are directly correlated with regular school attendance. **When students accumulate ten or more absences in a trimester, their records will receive administrative review and parents will be contacted.**

EXTENDED DAY PROGRAM / SUPERVISION

Students on school property before 7:55 a.m. and after the end of the dismissal carpool are required to report to Before- and/or After- School Care, and parents will be billed accordingly. The only exceptions to this policy are if students are participating in staff supervised morning activities or in after school/extra curricular activities that begin immediately after school, or if parents or staff members accompany students. Before School Care begins at 7:15 a.m. and After School Care ends at 6:00 p.m. Students must be registered in advance in order to attend Before- or After School Care. For more information, please call the school office.

VISITORS / VOLUNTEERS

For the safety of our students and staff, all visitors and volunteers must sign in and out at the school office when visiting or volunteering at the school. In addition, all visitors and volunteers must wear a badge for identification. These badges will be distributed in the school office after visitors/volunteers have signed in. School officials allow visitations to the classroom upon prior approval and all visitors must be announced to the teacher prior to entering the classroom. This policy is not meant to restrict parent involvement. It is merely a way to ensure that the best learning environment and academic privacy for all students in the classroom is upheld. Per Diocese of Charlotte policy, all parents and volunteers must complete the *Protecting God's Children* workshop, stay current with **Virtus.org** trainings, and complete a **background check** and **Diocesan Volunteer Profile Form** before being around any students and/or volunteering in the school or at school functions where students are present.

ADMISSIONS

NON-DISCRIMINATION

Saint Pius X Catholic School, mindful of its primary mission as effective instruments of the educational ministry of the church and witnesses to the love of Christ for all persons, shall not discriminate on the basis of race, sex, color, national or ethnic origin in the administration of educational policies, admission policies, loan programs, athletic and other school administered programs.

1. Students currently attending the school.
2. Siblings of students currently attending the school including the following:

ADMINISTRATION

The principal shall have the responsibility for administering all admissions policies. The principal shall notify parents of acceptance, as early as possible, according to the following guidelines.

ACCEPTANCE

Once notified of acceptance for admission, parents shall have the right to register their student(s) in each succeeding school year, provided: (1) notice is given to the principal as stated in re-registration letter sent to parents; (2) all tuition payments shall have been drafted when due; (3) no disciplinary or other cause for refusal to permit registration has occurred.

WAITING LIST

The principal shall maintain a waiting list of all parents seeking admission of students. It shall indicate: (1) date admission was sought; (2) the grade(s), Pre-K to 8 for which admission is sought; and (3) priority, as listed in the Admission Policy.

REQUIREMENTS for ADMISSION

ADMISSION RECORDS

All parents shall furnish the school office with student birth certificates, health records required by N.C. State law and the Diocese of Charlotte, and transfer records if entering grades Pre-K-8. Catholic parents shall also furnish the student's baptismal certificate, and the Parish Participation Voucher signed by the pastor of the parish of which they are a member-of-record, that is, which they support by active participation in Mass, Sacraments, and Parish affairs.

Immunization requirements for all schools are established by the State of North Carolina*. For the most up-to-date health-related information and requirements, contact the Guilford County Department of Health and Human Services, Division of Public Health at 336-641-7777, visit www.myguilford.com, or click on the following direct link: <http://www.myguilford.com/wp-content/uploads/2014/09/Immunization-Requirements-2017-2018-edited.pdf>.

*If a student has not received all the required immunizations within 30 days from the first day of attendance, state law requires that the student be suspended until written proof of immunization is presented to the school.

RECORDS

CHANGE OF RESIDENCE, PARISH, PHONE NUMBER, and/or E-MAIL ADDRESS

It is extremely important for the safety and security of our students that all student records are kept up-to-date. If a change of residence, telephone number, and/or e-mail address occurs, it is the parents' responsibility to notify the school office at once. Also, a parent must notify the school office of a change in a work number and/or mobile phone number so the school may keep every student's emergency card up to date. Because of subsidy paid by the parishes, a parent must notify the school, current parish, and previous parish in writing when there is a change in parish membership. Each parish has its own policy regarding subsidy payment of student.

SCHOOL RECORDS

Saint Pius X Catholic School abides by the provision of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, a school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order as well as any updates to court orders.

STUDENT PERMANENT RECORDS

Parents have the right of access to their student(s)' records. If a parent wishes to view the record, a request in writing must be submitted to the principal and the parent must give the principal a 24-hour notice as to when the parent would like to view the records.

TRANSFER

Students transferring to another school are required to return all books and school material to their teachers. A parent must sign a withdrawal notice form, all books and materials must be turned in, and all tuition must be paid in full before a child's records can be transferred to another school. Health records, transcript of marks, and copies of all tests on file here at Saint Pius will be mailed directly to the new school.

Students who transfer to another local school before 8th grade may not be brought to Saint Pius X to visit former classmates during the school day. Transfer students who have moved to another part of the state or out-of-state are welcome to visit during lunch or after school.

CURRICULUM / INSTRUCTIONAL PROGRAM

Saint Pius X Catholic School is a Pre-K through 8th Grade parochial school with a Pre-K to 5 Elementary School Program and a 6-8 Middle School Program. The academically robust and instructionally differentiated program at Saint Pius X Catholic School is derived from its commitment to Catholic education.

RELIGIOUS EDUCATION POLICY

(From Diocese) Religious education in the Catholic schools and the parish schools of religion shall be of such quality and depths to be in conformity with church documents and documents of the Bishops. The Center of Religious Education shall promulgate these requirements.

PARISH POLICY

Parents are the primary instruments in the religious formation of their children. Every religious instruction program of the parish should reflect and build upon this reality. Parents are expected to prepare their children to receive the Sacraments of Eucharist, Reconciliation and Confirmation with the guidance, aid, and reinforcement of school personnel and the Director of Faith Formation of the parish in which they are registered.

GUIDANCE

The guidance counselor will be available to assist students, teachers, parents, and administrators through counseling, consulting, and coordination of various activities. The counselor will organize his/her work schedule around the following basic functions:

- Individual counseling
- Group counseling
- Student appraisal
- Classroom guidance
- Consultation
- Program planning and evaluation
- Professional development and practices

Appointments with the counselor can be scheduled by calling (336) 273-9865, ext. 137, to leave a message. Calls will be returned as soon as possible. The school counselor is available to assist with referrals to other agencies for educational, medical, or psychological evaluations and/or counseling.

If written evaluation forms related to emotional wellbeing are required by other agencies, the school counselor will coordinate distribution to the teacher and mailing of completed forms. All forms will be mailed directly to the evaluating agency/office.

STANDARDIZED TESTING

The following standardized tests are administered by the school and mandated by the Catholic Schools Office, Diocese of Charlotte.

- In October standardized achievement testing is administered in grades 2 through 8.
- Grades 5 and 8 take the Diocesan Religion Assessment in the spring.
- Grades 4 and 7 take the Diocesan Writing Test in the spring.

SERVICES AND TUTORS

If a student requires tutoring or other learning services, there are specific Diocesan policies that require a certain level of insurance in order for a tutor or service provider to work on school property. To ensure that these policies are followed, parents must acquire approval from the principal before hiring a tutor to come to the school.

A parent may obtain any tutor of their choosing to work with their child outside of school property after regular school hours. Services including tutoring, expressive/receptive language therapy, articulation therapy, oral motor difficulties/apraxia, fluency/stuttering intervention, complete voice analysis, voice therapy, and central auditory processing therapy may be obtained.

ACADEMIC ENRICHMENT PROGRAM

The primary goal of the Academic Enrichment Program is to help to ensure successful learning and academic growth of each individual student. Team planning with the parents and all the teachers involved with a student displaying learning concerns is vital to obtaining this goal. The Academic Enrichment Program is intended as a support to the work being done by teachers and students in the regular classroom.

The academic enrichment team consists of the principal or assistant principal, counselor, regular classroom teacher, teachers of special subjects, and academic enrichment/resource teacher. As a part of the academic enrichment team, the resource teacher helps the other members of the team to understand the nature of learning disabilities, concentration disorders, and methods to help students who exhibit learning differences in the classroom. The resource teacher works with classroom teachers to provide supplemental reinforcement and a unified approach to the child's learning. The resource teacher may also offer small group or individual instruction on a regular basis for students with Student Accommodation Plans (SAPs). Interventions may provide indirect student support through accommodations, modifications in curriculum, test taking strategies, and study methods.

If written evaluation forms related to learning needs are required by other agencies, the learning support teacher will coordinate distribution to the classroom teachers and mailing of completed forms. All forms must be mailed directly to the evaluating agency/office.

EXTRA CURRICULAR PROGRAM GUIDELINES

The extracurricular program at Saint Pius X Catholic School stresses participation, individual growth, and teamwork. Coaches and activity leaders make the concern for the student participants a paramount importance and place the participants' needs and welfare ahead of other concerns.

- Students must maintain an overall “C” average and have no “Fs” in any content area/class in order to participate in extracurricular activities. Should a student not maintain this level of academic progress at the end of a reporting period (mid-trimester Progress Report or end of the trimester Report Card), he/she will be placed on academic probation. Once placed on academic probation, he/she may not participate in any extra-curricular activity for a minimum of two weeks. After the two week period and once the student has brought up his/her grades to a “C” average with no “F’s,” the student may again participate in the activity or activities. Academic probation will continue through the next reporting period. During the academic probation, whether participating or not, the student must demonstrate proof of grades on a weekly basis in order to participate the following week. If a student is on academic probation during tryouts or auditions for an extracurricular activity, the student may not participate in tryouts or auditions.
- Each student that participates in an extracurricular program is not only responsible for maintaining academic and behavioral standards during the school day, but is equally responsible for his/her personal conduct during all extracurricular activities and events.
- Student participants are considered ambassadors of Saint Pius X Catholic School. Therefore, students participating in extracurricular activities must follow all behavioral rules and disciplinary guidelines. A student who has received two or more detentions during the previous trimester and current marking period before an activity begins will be ineligible to try-out or join an extra-curricular activity. Once a student is participating in an extracurricular activity, the first detention earned will require the student to sit out of the next competition, performance or event. Exceptions will not be granted. For activities that do not hold regular competitions, the group leader and administration will decide on an alternative consequence. A student participating in any extracurricular activity that receives two detentions will be permanently removed from the roster.
- Students may not participate in evening activities, practices or games, when they have been absent from school or were dismissed early from school due to illness the same day as the activity.
- Athletic teams and other activities practice no more than twice weekly and may not exceed two hours per practice or meeting.

- Each student must be covered by student accident insurance, either through a family plan or through the diocesan plan, and verification of such should be on file in the school office.
- This code applies to every activity and event at Saint Pius X Catholic School, including, but not limited to: all sports teams, band, drama, choir, and clubs. The activity leaders of each group will administer consequences. These leaders will be responsible for advising the parents of the disciplinary action and the reasons for those actions.

All students must have a current physical (completed within the past 12 months) to try out for any athletic team at SPX. The SPX Athletic Department must have a copy of that physical (Diocesan form only) on record in the school health room before each child is allowed to try out for any sport. There are no exceptions to this policy. State of North Carolina and diocesan guidelines are followed when dealing with physicals. In the event that a child's physical expires while a sport is in season, the child will become ineligible to participate until a new physical is issued.

Athletic physical forms are available on the Saint Pius X Catholic School website at www.spxschool.com under the forms tab. All athletic physical forms must be turned into the school office. It is advisable to keep a copy of the form for yourself.

MIDDLE SCHOOL STUDENT COUNCIL

The SPX Student Council, grades 6 -8, will be involved in various leadership opportunities and activities throughout the year. Any student interested in participating must maintain at least a "C" average in their academic subjects and be a model student observing all school procedures and rules. Election for officers and homeroom representatives takes place at the end of each school year or early in the beginning of the next school year. To be eligible to run for office a student's record must reflect a "C" average or above and no automatic detentions for the school year. Academic and behavioral records will be reviewed each trimester to ensure that student council members maintain required standards.

MAKE-UP WORK

Grades K-5: When a student is absent from school, make-up work will be completed within five (5) days of return. It is the responsibility of the student and/or parent to communicate with the teacher regarding missed work.

Middle School: It is the responsibility of the student and/or parent to communicate with the teachers regarding missed work. (**NOTE:** The student who has been absent is responsible for getting missed assignments upon returning to school.) Students will have TWO days to make up missed work for each day they have been absent. Teacher websites found on RenWeb.com are an excellent source for homework assignments.

If a student is absent on the day a test is given or project due, when the test or project had been previously assigned, that test will be taken or the project handed in on the day the student returns to school. For further clarification, it is the student's responsibility to see his or her teacher.

THE CARE OF BOOKS AND SCHOOL PROPERTY

It is required that books be covered at all times. Students must use a book bag to transport books to and from school. All textbooks and planners are the property of the school. The school must be reimbursed by the student/parent in the event a textbook is lost or damaged. Similarly, parents are responsible for any damage to school property caused by a student.

REPORT CARDS

Report cards are published three times per year. Report cards are emailed to parents at the end of each trimester. Regular parent-teacher conferences are scheduled at the end of the first trimester and are mandatory for grades K-5. Middle School conferences are available on a drop-in basis during the scheduled parent teacher conference days. Additional conferences can be scheduled throughout the year at the request of parents or teachers. Trimester report cards will be released once all accounts, bills, fees, expenses and materials due (i.e. library books and textbooks, returned check fees, lunch fees, athletic uniforms, etc.) are accounted for/cleared.

PROGRESS REPORTS

Progress Reports will be sent home in the middle of each marking period for students in K-8. Parents will have the opportunity to monitor student progress on a regular basis using RenWeb.

HONOR ROLL -- MIDDLE SCHOOL

Students will receive Honor Roll Certificates at the end of the trimester. Students can achieve honor roll designation for "Excellent Honors" or "Honors."

Marking Code:

A 90-100 B 80-89 C 70-70 D 65-69 F <65

WEEKLY "THURSDAY" ENVELOPE

The Thursday envelope and online newsletter are the primary tools for communication between the parent and school/teacher. Notices from the school will be sent home with the oldest or only child in a family via the Thursday envelope. Notes to and from parents may be passed through this envelope. Papers and documents needing signatures will be safe in this envelope. Items such as, but not limited to, pictures, lunch coupons, and field trip permission slips will also be sent via the Thursday envelope. Parents must sign the envelope on Thursday, and students must return it the following school day.

RENWEB (FACTS Student Information System)

All parents are strongly encouraged to log on to renweb.com or factsmgt.com to access student grades, teacher announcements, student assignments, and school communication. New parents will be given login information so that they can sign in to access this information. Parents who need help accessing RenWeb (FACTS) should contact the office. Middle school students are also encouraged to use RenWeb once they submit their email address and have written approval from parents.

MEDIA CENTER

Students have the privilege of checking books out. Parents are responsible for replacing any damaged or lost books.

EDUCATIONAL TRIPS

Field trips are privileges afforded to students. Students can be denied participation if they fail to meet academic or behavioral requirements. All field trips will be instructional in nature and related to the curriculum being taught. Students will not be allowed to participate in a field trip without a **school issued** permission form completely filled out and signed by a parent or guardian. Telephone calls will not be accepted in lieu of the signed form. Parents who drive for field trips must have taken the *Protecting God's Children* workshop (a copy of the certificate must be on file in the office) and turned in a **Background Check Form, Volunteer Driver Form, and Diocesan Volunteer Profile Form** to the school office. Parents who drive their car for field trips are legally liable for the safety of the children they are transporting. Each child in the car must be fitted with a seat belt and remain in the seat belt until the end of the trip. No student is permitted to ride in the front seat of the car. Drivers are not permitted to make additional stops for food, drinks, etc. The role of parent chaperone is a very serious one. For this reason, **siblings are not permitted on field trips**. Educational trips are considered part of instruction. Parents who choose not to send their child on a field trip must arrange supervision for their child away from school, and the child will be marked with an unexcused absence. Resources are available for families who cannot afford the full expense of a field trip. Please call the business manager for further information.

EARLY DISMISSAL

If it is necessary for a child to leave school before regular dismissal time, a note must be sent to the teacher explaining the reason for early dismissal and the time for departure.

When a child leaves school during the school day, it is necessary for the parent or parent's agent to come into the office to sign the student "out." Office personnel will call the student to the office when the parent arrives. An agent is a person designated by the parent, via written permission to the school office, to remove the student from school.

INCLEMENT WEATHER

Saint Pius X Catholic School will make an announcement regarding inclement weather for closing and opening and/or delayed opening of school. This announcement will be made as early as possible. Necessary information is available via Parent Alert text messages, local television, and school website.

When school is held during inclement weather, it is the prerogative of parents to make their own decisions as to whether or not they feel safe transporting their children to and from school.

TRANSPORTATION

Saint Pius X Catholic School does not have bus service. Parents are encouraged to form car pools with families in the same neighborhoods or area.

CARPOOL

All drivers need to have their family name written on a piece of tag board to display in their front window.

MEDICATION

Medications given during school hours by school personnel should be kept to a minimum. Every effort should be made so that medications can be given at home before and/or after school. Medications will be given to students who need medications to sustain attendance, students who have chronic health problems, or students with a special physiological need. If your child must receive any type of medication during school hours including over-the-counter medications, a completed **Medication Authorization Form** must be submitted to the school office. This form must be completed in full by the physician and signed by the parent/guardian. All medication must be brought to the school office by a parent. Medication of any kind may not be sent to school with a student. All prescription medications must be brought to school in a properly labeled pharmacy container. All over the counter medications must be brought to school in the original container with the manufacturers label intact. The school office will store medication and dispense it as directed on the Medication Authorization Form, only with written parental consent and physician authorization.

Physician authorization is also required for any medication that needs to be dispensed by a supervising adult during an overnight field trip.

Students may self-administer Insulin, Epi-pens and inhalers for asthma. All students self-administering must have a completed self-medication Student/Parent/Physician agreement on file in addition to the Medication Authorization Form. Only those students with this completed form are permitted to carry medications on their person or in their belongings.

ILLNESS

If a child is not feeling well, parents are urged to keep them at home, as this will help the school control epidemics of common colds and viruses. If a child has a fever, unexplained rash, lice, signs of a communicable disease, injury needing medical attention, or has vomited, parents will be contacted for immediate pick-up. **In the case of fever or vomiting due to illness, a student must be symptom-free for at least 24 hours before returning to school.**

If a child is diagnosed with strep throat or conjunctivitis, they may not return to school until 24 hours after an antibiotic has been started.

Student Emergency Information Cards must be completed and updated for each student and kept on file in the school office.

COVID-19 Health Information

The administration and staff at St. Pius X Catholic School take very seriously our role in maintaining a healthy school environment. To that end, we have developed a detailed set of protocols based on guidance from the Center for Disease Control and Prevention (CDC), the North Carolina Department of Health and Human Services (NCDHHS), and the American Academy of Pediatrics (AAP), to help ensure the health and safety of our school community.

An inherent risk of exposure to COVID-19 exists in any place where large groups of people are present. COVID-19 is a contagious disease that can lead to severe illness and death. According to the CDC those with underlying medical conditions are especially vulnerable. We will make accommodations for students and staff members who cannot be present on campus for verified medical reasons. By entering the school campus, individuals voluntarily assume all risks related to exposure to COVID-19.

If a student or staff member has had a negative COVID-19 test, they can return to school once there is no fever without the use of fever-reducing medicines and they have felt well for 24 hours.

If a student or staff member is diagnosed with COVID-19 by a medical professional based on a test or their symptoms or does not get a COVID-19 test but has had symptoms, they should not be at school and should stay at home until they (or a family member if younger child) can answer YES to the following three questions:

1. Has it been at least 10 days since the individual first had symptoms?
2. Has it been at least 3 days since the individual had a fever (without using fever reducing medicine)?
3. Has it been at least 3 days since the individual's symptoms have improved, including cough and shortness of breath?

LUNCH

Milk, juice, water, small snacks, and ice cream are available daily. Tickets for these may be purchased via the Thursday envelope. Hot lunch options are also available for purchase online. A link is online on the front of the school website to pre-order hot lunch. Parents are welcome to visit during lunch and eat with their children. Parents must sign in at the office and leave when the students are dismissed from the cafeteria. Inappropriate behavior during lunch/recess can result in a student receiving lunch detention and/or demerits.

PARTIES: BIRTHDAY OR OTHERWISE

Party invitations are not to be distributed at school in any manner unless all the boys, all the girls or the entire class is invited.

BIRTHDAY TREATS

Students are welcome to bring in a special treat for the class to celebrate their birthdays. Please confirm whether members of the class suffer from any food allergies. If a treat is brought for the homeroom class, students should be sure to bring enough for everyone in the homeroom. If it is brought for the lunch period, students should be sure to bring enough for everyone in their grade. Birthday treats may not be passed out during carpool.

CELL PHONES AND OTHER ELECTRONIC DEVICES

Students are not permitted to possess cellular or mobile phones, i-Pods, electronic games, game watches, watches that function as phones, or any other personal electronic devices during the school day. Personal electronic items are to be left at home or turned in and stored in each student's homeroom by 8:10 a.m. and picked up upon school dismissal at 3:15 p.m. Students attending After Care are not permitted to have phones or other electronic devices until an adult picks them up from school. An automatic detention will be assigned to any student who brings a device to school and does not turn it into the office. For children who violate this policy but are too young to be assigned detention (third grade and below), parents will be notified to pick up the device from the school office.

TUITION

A significant portion of the local parish resources go to support the Ministry of Catholic Education, including subsidies to Saint Pius X Catholic School in addition to 3.5% of the total offertory collected at the parishes which is sent to Bishop McGuinness Catholic High School. Families directly benefiting from the Ministry of Catholic Education are expected to assist the parish in its obligations to these institutions and to our Diocese.

The support of one's parish is a precept of the Church. "The faithful also have the duty of providing for the material needs of the Church, each according to his

abilities”(Paragraph 2043, *Catechism of the Catholic Church*). “As Christian stewards, we receive God’s gifts gratefully, cultivate them responsibly, share them lovingly in justice with others, and return them with increase to the Lord” (*The U. S. Bishop’s Pastoral Letter on Stewardship*). We ask that all families who benefit from the Ministry of Education at Saint Pius X consider seriously their commitment to Stewardship.

The Catholic parishes may subsidize tuition for their active members. Each active member household of Saint Pius X is required to complete and return their Stewardship Commitment Form, typically published each Fall. Other parishes may ask a similar commitment. Active membership is determined by living up to basic responsibilities of stewardship: giving of your time, talent and treasure. Your respective parish will evaluate your commitment and if you feel that you need to meet with parish administration, this can be arranged.

We as Catholics believe that the Eucharist is the source and summit of our spiritual life, empowering our ministries and forming us more perfectly in the life and love of Christ; thus the Church expects Catholics to manifest their commitment and devotion to this great Sacrament by regular attendance at Mass. Our families are required to use their envelopes at liturgies to show their presence and active commitment to the Eucharist.

A Triad Area Catholic Schools Parish Participation Voucher must be signed each year by all parishioners and their parish administration to assure that Catholic families are active participants of their parish. This voucher is signed upon registration/re-registration. A review of participation will be held periodically to determine if the household qualifies for the subsidized Catholic rate of tuition. Should one’s parish determine that the household does not qualify for the parish subsidy is it the responsibility of the family household to pay the non-participating Catholic rate of tuition.

Tuition payments are **non-refundable**. Tuition payments are drafted on the **fifth** of each month, June through May. A \$30.00 fee will be charged on all drafts returned by the bank and full payment must be made in the school business office immediately.

Students are enrolled for the entire school year; therefore, Saint Pius X Catholic School considers the cost of a child’s education as a full school year expense. Books and instructional materials are purchased, staff is hired and structured according to enrollment, and classrooms are prepared in anticipation of each student’s full-year participation. As a result, Saint Pius X Catholic School has specific policies regarding students who withdraw from school before the school year ends.

Please note that parents or guardians who are financially responsible for the withdrawn student are obligated to pay the tuition due in accordance with the following policy:

- Parents/guardians will be responsible for paying all tuition and fees due through the month of withdrawal in addition to twelve weeks of tuition from the date of withdrawal.
- If a student moves out of state or needs to withdraw for any other reason, the parent must notify the school in writing 30 days prior to the withdrawal date.
- A family withdrawing from SPX will not be held accountable for tuition or fees beyond what are due at the date of withdrawal if:

The family relocates outside of state.

Serious events occur which are beyond the control of the family, such as the death of a family member or catastrophic illness.

AMOUNT OF TUITION

In its annual budget, the School Board shall set a base tuition charge, according to limits set by the Diocese.

METHOD OF PAYMENT

The parents shall pay the base annual tuition charge via monthly draft from a designated account, with the first payment being drafted June 5th. TUITION ADJUSTMENTS

Any **reduction** of the annual base tuition charge or any **postponement** of the monthly due dates is the province of the **pastor**. If the financial circumstances of a family warrant, the family must appeal to the pastor. The pastor will expect the request to be in writing. If approved, a family must meet adjusted payments as agreed. The agreement will be reviewed before each new school year. The pastor's decision will be forwarded in confidence to the school business manager, who shall provide only the total amount of adjustments granted for the school board's annual budget procedure.

TUITION ASSISTANCE FUND

Families who are enrolling or are currently enrolled at Saint Pius X Catholic School, may be eligible for financial assistance to attend Saint Pius X Catholic School. Step #2: On the day any two tuition amounts remain past due, the school business manager shall then mail a letter to the parent's address of record indicating past due tuition of 60 days, also requesting if a conference is necessary to discuss delinquency. A reply will be requested within 10 days (date to be specified in letter). If no reply is received, Step #3 will be followed. If a conference is scheduled at this time, the conference must be postponed until the student's account is brought current. Additionally, if a student's account is showing a balance due of any kind at the end of the school year, Saint Pius X will withhold the last report card regardless if the account is less than 30 days past due.

COLLECTION OF UNPAID AMOUNTS

Please call the school business manager at the school office regarding all questions concerning tuition.

INSURANCE

Every student must be covered by student insurance, either through a family plan and/or through the plan offered by the diocese. Verification of coverage must be on file in the school office. The Diocese of Charlotte provides accident coverage for all students during the school day and during school-sponsored activities. This includes traveling time to and from these events. It is secondary coverage unless the student does not have primary coverage. In that case, it becomes primary.

BEHAVIOR AND DISCIPLINE CODE

Saint Pius X Catholic School believes that a system of discipline is as educational as the academic curriculum. Such a system provides an environment in which students can safely function throughout the school day and also affords an opportunity for students to learn respect and a sense of responsibility for their individual actions.

Learning is enhanced in an environment in which good order exists. Discipline is the joint responsibility of the classroom teacher, the administration, the student, and the parent. An effort on the part of all teachers and students toward teaching/learning self-discipline is the basic goal of good discipline.

Each teacher is responsible for the discipline in his/her class. In serious cases, or when necessary, the teacher will consult the principal or assistant principal, who will then discuss the matter with the student and his/her parents. Non-conformity with school regulations will subject a student to disciplinary action.

Violation of school regulations may result in demerits, detention, in-school suspension, out-of-school suspension, and/or expulsion. The school reserves the right to suspend or expel a student whose behavior is a detriment to the school. When a student is suspended, he/she may not participate in any sports or school activities during the period of the suspension. A student who receives out-of-school suspension **will not be allowed on school grounds** during the period of the suspension.

Corporal punishment is not permitted at Saint Pius X Catholic School.

MERIT/DEMERIT SYSTEM

Merits reward students for exemplary school citizenship and extraordinary academic performance. Rewarding students has a positive effect on student behavior and morale. Merits may be awarded for a Christian act, positive role modeling, academic performance, or any other outstanding act deemed appropriate. Merits may cancel demerits. Students who have a surplus of 20 merits during a trimester period will be appropriately recognized.

Demerits are an option to disciplinary consequences. Any member of the school staff may give demerits. Although a student may seek clarification from the principal for any demerits he/she may receive, it is the judgment of the

individual staff member to use demerits in a given situation. Demerits are accumulated during a report period (trimester). At the beginning of each grading period, each student starts with no demerits.

*When a student violates specific rules and regulations of the school he/she may receive written comments in his/her student planner. **Parents are expected to sign the merit/demerit entries daily/whenever they occur.** Students must carry planners with them throughout the day. In the event that a planner is lost, a replacement planner must be purchased from the main office.*

Upon receiving an **automatic 10 demerits or the 10th accumulated demerit** in a trimester, the student will be assigned **detention**. Detention is held **Wednesday mornings from 7:00 to 8:00 a.m.**

Upon the accumulation of **20 demerits** in a trimester, the student will be assigned an **in-school suspension**. The student may not participate in after school activities during the suspension.

Upon the accumulation **30 demerits** in a trimester, the student will be assigned an **out-of school suspension**. When a student is issued an-out of school suspension, the student is not allowed on school grounds during that period. The student may not participate in after school activities during the suspension.

ANTI-BULLYING POLICY

Saint Pius X Catholic School has an established anti-bullying policy. Our school believes that every child should enjoy school and feel safe, secure, and accepted and that every child is a gift from God and made in God's image. Christian behavior is expected from all students at all times.

Bullying is defined as **repeatedly and purposely** trying to harm someone physically, socially, emotionally, and/or spiritually. Bullying is pervasive and one-sided.

Examples of bullying could include, but are not limited to:

- Hurting someone physically by hitting, kicking, tripping, pushing, etc.
- Stealing or damaging another person's things.
- Ganging up on someone.
- Teasing someone in a hurtful way through words, gestures, or actions.
- Using put-downs, such as insulting someone's race, culture, gender, size, appearance, or intelligence.
- Inappropriate touching.
- Spreading rumors about someone.
- Leaving someone out on purpose or trying to get other children to exclude someone.
- Using electronic communication or social media to send messages of an intimidating, threatening, or insulting nature.

WITNESS TO CHRIST

Saint Pius X students will be taught to do the following things to be Witnesses to Christ and to prevent bullying:

- Be respectful, safe, and responsible.
- Refuse to bully others.
- Refuse to let others be bullied.
- Refuse to watch, laugh, or join in when someone is being bullied.
- Report bullying to an adult.

Saint Pius X Catholic School faculty and staff will do the following things to prevent bullying and help students feel safe at school:

- Teach the steps necessary to be a Witness to Christ
- Closely supervise students in all areas of the school and playground.
- Watch for signs of bullying and stop it when it happens.

- Look into all reported bullying incidents.
- Implement immediate consequences for bullying.
- If there is retaliation against students who report bullying, serious disciplinary actions will be taken.

BULLYING CONSEQUENCES:

Pre-K - 3

1st offense: When an incident is reported to a teacher, the situation will be handled by the student's classroom teacher with a note sent home explaining the incident and actions taken.

2nd offense: When an incident is repeated, a referral will be made to the school counselor with a note sent home.

2nd offense: When an incident is repeated, the classroom teacher, counselor, and/or administration will counsel the student, and a detention will be given. The student will write a letter to his/her parents describing his/her actions and will write an apology letter to the student that was bullied.

3rd offense: When an incident is ongoing, another 10 demerits will be issued and in-school suspension will be assigned.

4th offense: 20 demerits will be issued and an out-of-school suspension will be assigned.

5th offense: The student will be expelled.

Saint Pius X Catholic School students, parents, and faculty and staff will sign an anti-bullying pledge **annually** to show support and affirm the Saint Pius X Anti-Bullying Policy. The teachers, staff, and administration of Saint Pius X Catholic School have a no tolerance policy for bullying.

Saint Pius X Catholic School respects the parents' role as advocates for their children. It is equally as important that parents respect the role of the teachers and administration when examining each report to determine whether bullying has occurred.

STUDENT SAFETY AND THE SCHOOL (From the Diocese)

With the rise in text messaging, emails, cell phones and parties at individual homes, it is necessary to clarify the responsibility of the school with regard to discipline associated with any problems.

Saint Pius X Catholic School is responsible for the safety of your child while he/she is in school or at a school-sponsored event. If there is an incident involving a threat, danger, or illegal activity involving your child outside of the school or a school-sponsored event, it is the responsibility of the parent to bring the threat, danger or illegal activity to the attention of the parents of the child involved and also to report it to the proper legal authority. The school and/or employees are not responsible or liable for any issues or problems that occur outside of the school and/or school-sponsored events.

INTERNET USAGE IN ELEMENTARY SCHOOLS

The use of technology and, in particular, the Internet in education has grown by leaps and bounds. Technology is now as common a tool as a textbook. Saint Pius X Catholic School offers Internet access for students, teachers, and staff. The Internet offers information and resources otherwise unavailable to our school. Because the Internet is a necessity in supporting our curriculum goals, it has become an integral part of our instructional program for all teachers and students.

The goals of Internet access are:

1. To support curriculum standards.
2. To enhance learning opportunities and instructional resources.
3. To promote life-long learning.

Students will be monitored when the Internet is used during class. Under the direction of the Diocesan IT Department, Saint Pius X Catholic School will continue to utilize filtering software to block students' access to inappropriate websites.

Acceptable Use of the Internet: It is the expectation of Saint Pius X Catholic School that the Internet is used in a responsible, efficient, ethical and legal manner by all members of the Saint Pius X Catholic School community, and is used in support of the educational objectives and the student behavior guidelines of Saint Pius X Catholic School. Transmission of any material in violation of any federal or state regulation is prohibited. Unacceptable uses include, but are not limited to, the following: violating copyright laws, reposting (forwarding) a person's communications without the author's prior consent, and using threatening or inappropriate language, conveying messages or content that are designed to embarrass, harm, or otherwise hurt another. Students are expected to conduct themselves in accordance with school policies while using social media, email, text messages and the like. Our goal in every setting and venue is to comport ourselves in a Christ-like fashion.

OUTSIDE OF SCHOOL ISSUES

With the rise of national and societal issues related to text messaging, emails, cell phones, social networking sites, and parties at individual homes, it is necessary to clarify the responsibility of the school in regard to discipline and liability. Saint Pius X Catholic School is responsible for the safety of each child while he/she is at school and/or at a school-sponsored event. If there is an incident involving a threat, danger, or illegal activity involving your child outside of the school and/or school-sponsored event, it is the responsibility of the parent to bring the threat, danger, or illegal activity to the attention of the parents of the child(ren) involved, as well as reporting it to the proper legal authority. The school and/or employees of our school are not responsible or liable for any issues or problems between students that occur outside of school.

Students and/or parents do not have permission to place school images, logos, pictures, and/or photographs (i.e.- students in uniform, etc.) on any social networking site or personal website.

Parents should check their children's emails, text messages, and personal websites on a regular basis to ensure child safety and security.

Saint Pius X Catholic School will always demonstrate the kindness and love of Christ, and treat all people with compassion and sensitivity, while also adhering to Roman Catholic Church morality and doctrine. As we seek to be consistent with other parishes and other schools in our diocese in regard to the issue of gender identity, as well as all other policy matters, we have requested guidance of our diocesan bishop. Because the Diocese of Charlotte does not currently have a written policy on gender identity, it was recommended by the Vicar General and Chancellor, Rev. Msgr. Patrick J. Winslow, for our purposes, that we use Bishop Paprocki's "PASTORAL GUIDE §650 Gender Identity" (<https://www.dio.org/policy-book/77-650-gender-identity/file.html>) from the Diocese of Springfield, Illinois, until such a time that our diocesan bishop has provided the guidance we have requested.

HANDBOOK AMENDMENTS

The principal retains the continuous right to amend this handbook for just cause and parents will be notified if changes are made.

The Daily Angelus Prayer

The Angelus is a daily reminder for us to call to mind God's love for us. We also see and imitate Blessed Mary's example of openness to God's will. In fact, all of salvation history culminates in the moment where "the Word became flesh." Having a set prayer at a set time each day also provides a reflective moment and a structured pause for edification. In addition to a daily Morning Prayer, the students and staff at Saint Pius X pray the Angelus Prayer at midday every day.

"The Angel of the Lord declared to Mary: And she conceived of the Holy Spirit.

Hail Mary, full of grace, the Lord is with thee; blessed art thou among women and blessed is the fruit of thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

Behold the handmaid of the Lord: Be it done unto me according to Thy word.

Hail Mary...

And the Word was made Flesh: And dwelt among us.

Hail Mary...

Pray for us, O Holy Mother of God, that we may be made worthy of the promises of Christ."
