Payment Information

- Recurring monthly payments for extended care services will only be accepted via FACTS Incidental billing.
- A non-refundable registration fee of \$35 will be charged when you register online.
- Your account will be charged monthly for your previous month's extended care billing.
- **Please note:** Because staffing determinations are made in advance, unused days cannot be reimbursed.
- If you have any questions regarding billing, please contact Julie Wise at jwise@spxschool.com.

Registration

Due to demand, after school care will be filled in the order that registrations are submitted (“first come, first served”). We will strive to have sufficient staff in place to accommodate all students who need it by the first day of extended care on Monday, August 25, 2025, but we are affected by the same staffing difficulties as other businesses. You will receive an email by the end of July confirming your child/ren’s spot or wait list status.

During online registration, you will:

- Input your student(s) names and 2025-2026 grade level
- Select before and/or after school care
- Select part-time and/or full-time
- Select specific days if part-time
- Pay the \$35 registration fee

Information that will be obtained from your child/ren’s enrollment packet that you completed online:

- Medical information (doctor, dentist, hospital, allergies, and chronic medical conditions)
- Emergency contacts
- Persons authorized to pick up your child/ren

***If any of this information has changed since you enrolled your child/ren, you may update it in the Family Portal >> Family >> Family Home >> Family Demographic Form. We will print this information for your child before the Extended Care Program starts on August 25, 2025.**
