

CLASSROOM RULES

In order to maintain a positive learning environment, the following classroom rules are in place. Everyone will be:

- Respectful
- Responsible
- Resourceful

Act as Jesus would!

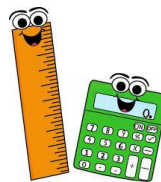

CONSEQUENCES

Demerits and merits will be given in accordance with the school policy.

So come to class prepared, with a positive attitude, and willing to work.

ABOUT THE TEACHER

Math!
It is nothing to B² of.

Hi, I'm Mrs. Whitmore, and I am so excited for this school year! I have been teaching over 30 years now. When I am not in the classroom, you can find me spending time with my family, gardening, reading, hiking, playing games, or baking. I also love history, so you might see me at a museum.

GRADING OVERVIEW

Assignment Category	Grade Percentage
Tests/Projects	40%
Quizzes	30%
Homework/ Participation	30%

HOMEWORK POLICY

- Homework will be assigned on a nightly basis.
- Homework is graded on being completed on time and with the work shown to support answers. **(If you added, subtracted, multiplied, or divided, write it down!)**
- Students must write down all assignments in their **planners.**
- I am available for extra help in person or over the phone. See me to sign up for in person help.

LATE WORK POLICY

- All assignments are due at the beginning of class on the assigned due date.
- All problems must be completed with the work to support your answers. **(If you added, subtracted, multiplied, or divided, write it down!)**
- Late homework can be turned in until the chapter test has been taken **(you will receive 75% for late work).**

ABSENCE POLICY

In the event of an absence, it is the students' responsibility to check Renweb for missed assignments and notes. Each student will be given 2 days for each day absent to turn in the missing work. For example, if a student misses three days, they will get six days to complete the missed assignments. If a student is absent the day an assignment is due, **they must** turn the assignment in the day they return to school.
