Dress Code

SPX School Logo required on all tops

Through attention to detail in our appearance, behavior, and surroundings, we demonstrate respect for ourselves, for others, and for the values we uphold as a school community. As Scripture reminds us, “But everything should be done properly and in an orderly manner” (1 Corinthians 14:40).

At St. Pius X Catholic School, the dress code is an important part of maintaining a culture of order and respect on campus. A consistent and appropriate appearance helps foster a focused learning environment, minimizes distractions, and reflects the values of our school community. By adhering to the dress code, students contribute to a culture of discipline, unity, and mutual respect—essential elements in promoting both academic success and personal responsibility.

2026–2027 DRESS STANDARDS

Each student is expected to take pride in his or her personal appearance by consistently maintaining a respectable, neat, clean, and appropriate standard of dress that supports the educational environment. Proper attire is required at all times while on campus and during school-sponsored activities. Students are expected to be well-groomed and neatly dressed throughout the school day.

Students who are not in compliance with the dress code will not be permitted to attend class until the violation has been corrected. If immediate compliance is not possible, students may receive a warning or detention, depending on the nature and severity of the violation.

Repeated violations of the Dress Code Policy may result in additional disciplinary action, including detention, suspension, or other consequences deemed appropriate by the administration.
