Elementary Spanish Syllabus

2nd -3rd Grade

“ Learning Spanish is No Problellama ”

Goals / Expectations: Goals for the 2nd and 3rd grade classrooms are to foster an appreciation for the Spanish language and cultures through the use of music, literature and media, expand their Spanish vocabulary both orally and written, begin to converse and answer simple questions in Spanish, begin to explore some Spanish grammar rules and begin reciting prayers in Spanish.

Assessment: Assessment is ongoing through participation in the classroom and classroom activities. Students will keep Spanish notebooks throughout the year that will serve as an assessment as well. Third Grade students will begin to have oral quizzes on prayers recited in class and unit written assessments on content covered.
