## Elementary Spanish Syllabus

4th Grade

### *“Learning Spanish is No Problema”*

**Goals / Expectations:** Goals for the 4th grade classroom are to continue fostering an appreciation for the Spanish language and cultures, expand their Spanish vocabulary both orally and written, converse and answer simple questions in Spanish, explore some Spanish grammar rules and recite prayers in Spanish. Fourth grade students will be expected to take more of a leadership role in their journey of becoming “a good language learner”.

**Assessment:** Assessment is ongoing through participation in the classroom and classroom activities. Students will keep Spanish notebooks throughout the year that will serve as an assessment as well. Students will begin to have homework that practices topics covered in the classroom, oral quizzes on prayers recited in class and unit assessments on content covered.
